

An Evening with Yaesu

Speaker John Kruk - N9UPC

Sales Manager, Yaesu USA

Several clubs in the area will be hosting John Kruk - N9UPC, Sales Manager of Yaesu USA. John will have a presentation and will also be taking questions afterwards. Yaesu Fusion and digital communications will surely be a part of the presentation and the direction that ham radio is now headed in.

John has an extensive background in communications and emergency management from the hands on world of the test bench to the actual field operations and implementation. He has a wide and varied background with all types of communications and now serves as the Sales Manager for Yaesu USA.

Come out and listen to John at one of the presentations in our area. It will give you a chance to visit one of the local clubs and gain some valuable information.
