Insurance for equipment is needed, Scott AB1MC will get the equipment list at the repeater site will also need to come up with replacement cost and labor cost to reconfigure the repeater back to operational status.

Register the repeater W1PB into the Allstar network for echolink and allstar use
The echolink node# is 627690 and the Allstar node# is 47171 (ab1mc)

Club taxes are for a non-profit organization and Charlie KE7UTH files all reports to the Fed

John our club President needs help planning the March Hamfest! Please volunteer, any and all help is welcome. Also we need some help coming up with program's for our meetings. The next one needed is the February meeting

Retired at 18:45 for a small break before the main meeting

General Meeting of ZAARC for the month of December 2017

Meeting called to order at 7:05

12 members present

Pledge of allegiance

Board meeting rundown

Net control Schedule:

January 1 will be Scott AB1MC ; January 08 will be Charlie KE7UTH

Christmas dinner was a great success with many attending and along with food overflowing and good company, a great time was had by all. Cant wait till the fourth of July picnic.....

John still needs help with various projects such as the hamfest and a program co-coordinator

Do we want to invest in getting Club t-shirts?? for wearing at events, etc.

John KK4ITX needs some help with the run for life on 1/27/2018. give him a call and let him know also he will need your shirt size.

All members who have internet capability should sign up for the Yahoo Group page. It is a good way of getting up to date info from the group. Every entry into the group message area gets forwarded to the members, such as these minutes which I post on the group page.

This Months presentation was by KK4ITX and N4ESS on the "Cricket for Ticket" QRPp 80 meter cw transceiver. A wonderful and entertaining presentation.. You can find out more by going to the web page, <http://www.4sqr.com/cricket.php>

Humbly submitted,
Scott Bowden AB1MC, Treasure
