## **Answers to last month's Question Pool**

**1-C, 2-C, 3-A, 4-B, 5-B.**

## **Question Pool**

1. What are the frequency limits for General class operators in the 75/80-meter band (ITU Region 2)?
2. If the FCC Rules DO NOT specifically cover a situation, how must you operate your amateur station?

3. What is the maximum transmitting power an amateur station may use on 7080-kHz?

4. What license examinations may you administer if you hold a General class license?

5. Under what circumstances may a 10-meter repeater retransmit the 2-meter signal from a Technician class operator?

## **Zaarc News Letter by E-Mail**

The ZAARC News Letter is being sent out to a few of us by e-mail. It is published in Microsoft Word and can be e-mailed in this format or it can be sent out in PDF file format. If you would like to receive the news letter by e-mail, please let me know who you are and your e-mail address and what format you would like it in. Thank you  
G&K Hewitt [WB8GKY@aol.com](mailto:WB8GKY@aol.com)

PS. We are looking for some one to take over the ZAARC News Letter as we have had this position for five years now and some times wonder if we will have the time to get the news letter out!

## **Breakfast Fellowship**

Thursday Mornings at 7:30A.M. All welcome, this is a club function.

Right now we are meeting at John's Restaurant on cr. 54 East Zephyrhills, Florida.  
Most interesting coffee in town. SEE YA!
